**Section 2 - Jock and Question  
(75 Points)**

This is the audience's favorite section. You will appear onstage in jock wear. Usually a leather or fabric jock is used here. This section is to determine how comfortable you are in your natural skin. Have fun and be sexy!

The question is a pop question that is used to test your wit and quickness. Have fun. This is not meant to trick you but rather to have fun with you.

As before, you will come out at the end as a group for the comparison judging.
